

## **Fintech: Technical Integration Lead (80-100%)**

JAROWA AG is a young and dynamic Fintech company whose success is based on a unique digital B2B platform business model. We digitize the orders of insurance companies, real estate management companies and public authorities. For example, insurance companies can use our platform to quickly help customers with damage at home and hire high-quality craftsmen from the region for prompt repairs.

JAROWA went live with the first service in Switzerland at the end of Q1 2018 and in this short time our platform has been able to establish itself as a market standard that is continuously growing. Today we have our operations in Switzerland, Germany, United Kingdom & Italy. For the extension of our Italian operations, we are looking for a Technical Integration Lead to join our Italian Team.

### **Your tasks and responsibilities:**

- Project coordination with our customers and implementation of the integration projects
- Software API Integration Design & Implementation in .NET/ C#
- Configuration of the in-house ENABLE platform based on business requirements

### **Your experience/skills:**

- Degree in computer science or equivalent (Bachelor or Master)
- At least 3-5 years of professional experience
- Experience in the design and implementation of system integrations using APIs
- Working experience in .NET/ C#
- Experience in the coordination of small projects and in customer contact
- Independent and reliable working style
- Analytical and structured thinking
- Fluency in English, German or Italian is a strong plus

**Place of work:** Remote (Italy, CH, AT or DE preferred)

**Start:** Immediately

We offer various personal development opportunities, on the one hand in the cooperation with the experienced and dynamic JAROWA team. On the other hand, there are continuous development opportunities thanks to the constant change and development of the company (e.g., further expansion into new markets or the establishment of additional networks).

**Please send your application in English to [roy.vayalathu@jarowa.ch](mailto:roy.vayalathu@jarowa.ch)** We are looking forward to your application!
